

## We Want the World's Oil

### Description

We want the world's oil in our hands repeat 2x  
And we don't care how we swipe it.

We want the world's gas in our hands  
And we don't care how we pipe it.

We have the sun's power in our hands  
But the oil empires refuse it

We have the wind's power in our hands  
And we're too dumb to use it.

We have water, wind and solar heat  
Our natural sources can't be beat  
If we would clean up the coal and peat  
We'd have a clean world and not lose it.
