We Weep for Gaza

Gaza, Gaza, Gaza, Gaza,
We weep for the children and the harm

That we have done.

Gaza, Gaza, Gaza, Gaza,

U.S. makes the bombs that kill

Your daughters and your sons.

Gaza, Gaza, why are you complaining?

Don't we all like to hear those bombs raining?

You have known the strife and grief of war,

But we don't care 'cause you are poor!

Gaza, Gaza [clap] we will wipe you off the earth

'Cause you are people of a different faith,

And Gaza, Gaza, [clap] we'll blockade and bomb

Until the world shouts out "Bring peace to Gaza!"
