

We Will Rise Around this Mountain

Description

Heâ??ll be coming to other countries really soon
Donald trump will never change his evil tune
Heâ??s a Warhawk and a felon
Heâ??s taking us to hell and
Stealing resources, heâ??ll bring us all to doom.

He is taking the power of congress away
Donâ??t understand why they let him stay
Ripped up our constitution
His criminal solution
We the People do not think that thatâ??s ok.

No longer are we the light upon The Hill
He kills and maims, yet heâ??s in power still
This cannot last forever
This ego driven endeavor
We will never bend on knees down to his will.

We need to learn from all our history
Freedom should be from sea to shining sea
We need better world leaders
Not these damn thugs and these cheaters
Time to rise and fight for our Democracy!

(slowly)
Time to rise and fight for our Democracy!
