

We Will Stop You

Description

Donald, youâ??re a boy, make a big noise

Bully everyone that might get in your way

You got mud on your face

You big disgrace

Sprewing your lies all over the place

We will, we will stop you

We will, we will stop you

Donald, youâ??re a corrupt man, conman

Accusing us of sins that actually YOU commit

You got blood on your face, you big disgrace

Spreading your hatred all over the place

We will, we will stop you

We will, we will stop you

Donald, youâ??re a mob-boss, dictator

Crushing our foundations of democracy

Youâ??ve got greed on your face, big disgrace

Weâ??re here to make sure youâ??re put back in your place

We will, we will stop you, sing it

We will, we will stop you, everybody

We will, we will stop you, hmmm

We will, we will stop you
