

## We Won't Buy!

### Description

Oh, Wal-Mart's come into our town  
And discounted all their prices down.  
They've built big stores.

They're keeping their prices very low  
By paying their workers far below  
A living wage.

They sell cheap stuff from foreign shores  
Made by the sweat of the working poor  
For us to buy.

They sell below the other shops  
So all the little moms and pops  
Will soon be closed.

With no more jobs and no more pay  
The shoppers soon will go away...  
Then who will buy?

So, Wal-Mart get out of our town!  
You're tearing our economy down.  
And we won't buy!!!
