

We Won't Buy!

Description

Oh, Wal-Mart's come into our town
And discounted all their prices down.
They've built big stores.

They're keeping their prices very low
By paying their workers far below
A living wage.

They sell cheap stuff from foreign shores
Made by the sweat of the working poor
For us to buy.

They sell below the other shops
So all the little moms and pops
Will soon be closed.

With no more jobs and no more pay
The shoppers soon will go away!
Then who will buy?

So, Wal-Mart get out of our town!
You're tearing our economy down.
And we won't buy!!!
