

Wealth Inequality

Description

Politicians who **are** corp^orate **funded** keep **spending** our **money** to **pay**
for **wars** and tax **breaks** for the **wealthy** while **homelessness** **grows** ev^{er}y **day!**

Though **we** are the **wealthiest** **nation**, our **wealth** goes to **those** at the **top**.

For ev^{er}yone **else** it is **rationed**. Sure **smells** like pol-i-tical **rot!**

The **wealth** **inequality** **is** done in-ten^{sh}-nally

It keeps us **fi**-ighting **with** our **peers**.

To **win** this **fight** we **must** **unite!**

Don^ot **let** them **control** us with **fear!**

We **should** be sup-**port**-ing our **stu**-dents who **strug**-gle to **pay** for their **loans**.

We **should** be sup-**port**-ing our **fam**-^{il}ies, since **people** are **forced** from their **homes**.

Our **brid**-ges and **high**-ways are **crumb**-ling. Our **ed**-u-ca-tion^s be-low **par**.

We **spend** many **billions** on **kill**-ing. It^s **time** we waged **pe**-ace, not **war!**

The **wealth** **inequality** **is** done in-ten^{sh}-nally

It keeps us **fi**-ighting **with** our **peers**.

To **win** this **fight** we **must** **unite!**

Don^ot **let** them **control** us with **fear!**

We **spend** twice as **much** on our **health**care as **other** developed **nations**.

But **our** health stats **are** far worse **than** theirs, ^âcause the **for**-profits **suck** up our **funds!**

A **National Med**-i-care **for** All[!] would **save** the whole **nation** **money**

but **cor**-p^orate **investors** **oppose** it, ^âcause It **won**^ot let them **rob** you and **me!**

The **wealth** **inequality** **is** done in-ten^{sh}-nally

It keeps us **fi**-ighting **with** our **peers**.

To **win** this **fight** we **must unite!**

Donâ??t **let** them control us with **fear!**
