

We'll Remember in November

Description

We'll remember in November
When we vote, as well we should,
How you tried to regulate us
And to kill Planned Parenthood.

We fought hard for women's ri-ights
And we won't go back in time.
Keep abortion free and legal;
It's our choice – it's not a crime.

You men in office think you own us
But our bodies belong to us.
Keep your laws off my vagina;
You have no bus'ness in my uterus.

You would keep us in the kitchen,
Barefoot and pregnant, too.
But we'll remember in November
And vote you out! Your time is through!

Oh, Planned Parenthood, what they do is good
For women's health and women's choice.
So this time we're getting organized;
We rise together with one voice.

And we'll remember in November
When we vote, as well we should.
We will vote you out of office
And we'll save Planned Parenthood.
