

WE'RE FED UP WITH TEP!

Description

We're fed up with TEP

and the corrupt ACC !

We just want a public owned

e-lec-tric u-tili-ty!

TEP keeps lyinâ??

The ACC does too!

We just want a u-til-i-ty

owned by me-e and you!

Solar is the cheapest

of all energies!

But TEP doesnâ??t like it â??cause

it cuts their profits, you see!

TEPâ??s in-sis-tence

on foss-il fuels and gas

uses TONS of our water,

which is dryinâ?? up pretty fast!

Mo-no-po-ly u-til-i-ties

are monsters from the past!

That's where **TEP** belongs.

Let's **send** it **the-ere** at **last!**

A **public owned** u-til-i-ty

would **save** us **lots** of **dough!**

Not to **mention** our **wa-a-ter!**

Public Power's the **wa-ay** to **go!**

Tell our **Mayor** and **Council**

to **put** it **up** for a **vote**

on the **ballot** this **yea-ear**

so **we** don't **mi-iss** the **boat!**

PROFIT-FREE ELECTRICITY!!!
