## **We're Not Giving Up**

CHORUS: We are not, we're not giving up! We are not EVER giving up!  
We know we're in this struggle for the long haul —  
We're not giving up.

Shoulder to shoulder, we're not giving up  
Although we're growing older, we're not giving up  
We know we're in this struggle for the long haul  
We're not giving up.

(Individual Grannies:) Stop! Floss! Feed the dog! Water the garden!

WE ain't sittin' crying, we're not giving up  
The Left is not dying, we're not giving up  
We know we're in this struggle for the long haul  
We're not giving up.

CHORUS: We are not, we're not giving up!  
We are not EVER giving up!  
We know we're in this struggle for the long haul —  
We're not giving up.

We're up against Big Dollar, we're not giving up  
We still know how to holler, we're not giving up  
We know we're in this struggle for the long haul  
We're not giving up.

CHORUS
