

What Don't You Get When You Use A Condom?

Description

What don't you get when you use a condom? You won't get AIDS or other diseases
You'll get to see who he really pleases
Oooo true love wears a condom now
He'll always wear a condom now

v2) What don't you get when you use a condom?
You'll never have worries and doubts and testing
That's why we're here and we're suggesting
True love wears a condom now
Oooo Take away the worry now
Bridge Don't tell me what love's all about
Cause I've been there and I'm still not out
Out of those lies that men tell ladies
I know a condom means no babies

v3) What DO you get when you use a condom?
You get a big load of satisfaction
Then there's the cuddling without distraction
Oooo Go and get some condoms now!
True love wears a condom now!
