Description

What shall we do with a useless congress?
What shall we do with a useless congress?
What shall we do with a useless congress?
Er-lie in the mid-terms

Way hay and up weâ??re rising
Way hay and up weâ??re rising
Way hay and up weâ??re rising
We have to vote them out!

Ban their corruption and insider trading
Ban their corruption and insider trading
Ban their corruption and insider trading
They must work for us now!

Make them work for everyone
Make them answer their phone calls
Make them turn up to town halls
Even *Tom McClintock!* (*substitute with your repâ??s name*)

Remove dark money from our congress
Overturn Citizens United
Keep our elections fair and free
They took an oath of office!

Way hay and up weâ??re rising
Way hay and up weâ??re rising
Way hay and up weâ??re rising
We must work together!

What can we do to make them honest?
Put â??em in jail when theyâ??re dishonest

Impeach the ones who should know better
The People demand justice!

Way hay and up weâ??re rising
Way hay and up weâ??re rising
Way hay and up weâ??re rising
We can make it happen!

Thatâ??s what weâ??ll do with a useless congress
Thatâ??s what weâ??ll do with a useless congress
Thatâ??s what weâ??ll do with a useless congress
We must change the system!

Way hay and up weâ??re rising
Way hay and up weâ??re rising
Way hay and up weâ??re rising
We have had ENOUGH!

Way hay and up weâ??re rising
Way hay and up weâ??re rising
Way hay and up weâ??re rising
