

## When A Gran Has Died

### Description

1) Does her song die  
When a Gran is gone?  
Or does that melody live on?  
I think when she's no longer bound  
To this troubled Earth  
Her song goes on.

2) The songs we've sung  
While here below  
Rise, as we on,  
That journey go  
Rise fresh and free, restoring  
For those we've loved, encouraging.

3) Her songs brought change  
And so much more,  
Spoke peace, showed us  
What life is for  
Joining her voice,  
we sang along  
And still we sing,  
her song goes on!
