

When Raging Grans Come Marching In

Description

When Raging Grans / come marching in,
When Raging Grans come marching in.
We invite you to be in that number
When Raging Grans come marching in.

Weâ??ve got to turn our lives around.
Weâ??ve got to turn our world around.
Weâ??re singing for peace on our planet
And for clean air, water and ground.

Or common future / starts right today,
To those in power we say Hey â??
You better listen to Grandmaâ??s clamour;
Weâ??re empowered and weâ??re on our way!
