

WHEN WE ALL COME TOGETHER

Description

If **you** are the **workers**, you do **all** of the **work**,
while the **billionaire jerks** take all the **perks**.
But **that** means that **you** can shut down **this** whole **system**
because **you** are the ones who **ma**-ake it **run**!

Not only **that**, but we can **get** everyone
to **boycott** and **shun** those **sons-of-a-gun**
until they are **ready** to pay **you** what you are **worth**
and **not** rip off their **cus-to-mers**.

When we **all** come **together** we can **do** anything,
do anything. **do** anything!
When we **all** come **together** we can **do** anything.
There's nothing we can't overcome!

STRIKE AND BOYCOTT THE MEGACORPORATIONS!!!
