

When We've Gotta Stand Up

Description

I'll be with you
To make our voices heard
Together reaching
All people's of the world
Changing is not
Something that's bought
It's Standing, Speaking Time
2) What a wonderful listening
There will be
Civil disobedience we'll see
Our pacifist ways
Earn nothing but praise
it's Standing, Speaking time
3) Let us gather, talk
And find a plan
To heal nations,
Joining hand to hand
Violence begone
United our song
It's Standing, Speaking time
