

## Where Have All the Files Gone

### Description

Where have all the files gone?  
9 years waiting.  
Where have all the files gone?  
Pam Bondi knows.  
Where have all the files gone?  
Been redacted every one  
When will we ever know? what will the files show?

Where have all our freedoms gone?  
Disappearing every day.  
Where have all our freedoms gone?  
Where did they go?  
Where have all our freedoms gone?  
Not through Congress, killed by Don.  
When will we get them back, when will we get them back?

Where have We the people gone?  
Where-er-er did we go?  
Into the streets to fight what's wrong.  
The country's gone too low.  
Where did we the people go?  
Gone to stand on the White House lawn.  
When will Trump ever go? MAGA has got to go.

Let us get our country back.  
Gonna take everyone.  
Let us get our country back.  
Where did it go?  
We can do it, yes we can.  
Freedom for everyone.  
Justice for everyone.  
Equal rights for everyone.
