## **Where Have All the Fishes Gone?**

Where have all the fishes gone? Long time passing

Where have all the fishes gone?

Long time ago?

Where have all the fishes gone?

Killed by oil spills everyone

When will we ever learn?

When will we ever learn?

Where have all the oceans gone?

Long time passing

Where have all the oceans gone?

Long time ago?

Where have all the oceans gone?

Turned to toxic crude oil dumps

When will we ever learn?

When will we ever learn?

Where are all the living things?

Long time passing

Where are all the living things?

Long time ago?

Where are all the living things?

Cooked by global warming

When will we ever learn?

When will we ever learn?

How will planet earth survive

This destruction?

How will planet earth survive

Such callous greed?

How will planet earth survive?

Profits matter more than lives

When will we ever learn?

When will we ever learn?
