

## Where the Smarts Are

### Description

*Sing this seductively like Francis, pretend to seduce the audience, smoulder!*

*Where the smarts are*

*A school waits for me*

*A caring place*

*A teacher's face*

*And my education's FREE!*

*Where the smarts are*

*Public school's for me*

*The right of every*

*boy and girl*

*To learn how*

*our world should be*

### BRIDGE

In the crowd of a million people

Public school is for all

And we will climb to the highest

steeple, remind the world it is ours

Till they know this,

we wait patiently

Where the smarts are,

Where the smarts are

Where the smarts are

Public schools for ME!
