

Who're They Going To Bomb Next?

Description

Who are they going to bomb next? to bomb next? to bomb next?
Somebody's got to be bombed next
Whose turn is it to fear?
2) It takes a lot of money
It MAKES a lot of money
You can't waste all that money
They'll use it, never fear.
3) So turn it all to ploughshares
Harmless, useful ploughshares
Yes, turn it all to ploughshares
(quietly) We'll all have less to fear.
