Why Be A Granny?

Why do we come out in public to speak
Of the wrongs in the world, what does it take?

Grandchildren needing a better world NOW!

So we put on our hats, we'll show them how:

Is there injustice? Tryanny? Is our country at war?

Are politicians listening? We'll tell them some more!

We WILL go on singing as long as just one

Grandchild needs us anywhere, till our life's done.
