

## Why We Sing – Not Entertainment

### Description

The grannies are not entertainment  
We sing out of a deep commitment  
To justice, peace and equal treatment  
For all of those who cannot speak  
2) Our social programs they are cutting  
To give more money to the rich man  
Instead if there was fair taxation  
Our nation's pain would soon be healed  
3) Cutbacks to all our institutions  
These can't go on, they aren't solutions  
In history, this brought revolutions  
What will they bring to us today?  
4) We sing about the poor and helpless  
How government has grown so callous  
Our grandkid's faces rise before us  
We stand and sing, to bring them peace.
