

## Without a Home

### Description

Tucked into an alley, sometimes I live in a box  
Or sleep in the bushes down by the railroad track  
Consider it lucky that I have two pairs of socks  
Couple of smokes, candy bars in my pack

[Chorus:] Oh, I've seen heat and I've seen rain  
I've seen bitter cold that I thought would never end  
I've seen lonely times when I could not find a friend  
But I always know I'll get on my feet again

I worked as a waitress, don't you know, back in the day  
Then came the babies, and all the bills to pay  
Their daddy walked out, hardly a word to say  
That's when the landlord told us we couldn't stay

[Chorus:] Oh, I've seen heat and I've seen rain . . .

My children were taken, taken right out of my arms  
Failed as a mother, wish I had more to give  
I pray for them daily,  
Lord won't you keep them from harm  
Sometimes I've wondered, why do I choose to live

[Chorus:] Oh, I've seen heat and I've seen rain . . .

If you should see me roaming the streets all alone  
know it ain't easy, living without a home  
My body's aching and I'm tired to the bone  
Sure wish I had a place to call my own

[Chorus:] Oh, I've seen heat and I've seen rain  
I've seen bitter cold that I thought would never end  
I've seen lonely times when I could not find a friend  
But I always know I'll get on my feet again  
I always know I'll get on my feet again  
I always know I'll get on my feet . . . again
