

## Women Of The World Be Strong

### Description

step by step and step by step  
women of the world be strong  
day by day and day by day  
wipe the blood and tears away  
save our sisters from their terrors  
cut the chains that warp and bind  
open doors till we are free  
leave oppression far behind

2) step by step and step by step  
women of the world be strong  
do not wait, we must go on  
though the road be dark and long  
come with us to touch the bright sky  
as our own free voices ring  
with the breath of inspiration  
flying forward on the wind

3) step by step and step by step  
we shall go triumphantly  
towards a new humanity  
women of the world are we
