

Women Of The World

Description

Women of the world, let us throw â?? off our chains! Let us have a taste of â?? economic gains
Oh, oh, March 8th we will walk
With all â?? women we will talk

We want womenâ??s work made a â?? priority!
International womenâ??s day a â?? holiday!
Oh, Oh, housework done for pay!
Third world â?? debt, cancelled today!

Celebrate the women who are â?? in your life!
Mother, sister, granny, auntie â?? daughter, wife!
Oh, oh, I always knew
What we women could do!
