

World Religions

Description

So youâ??re a catholic
And sheâ??s an atheist
And thereâ??s protestant churches, all over town
The mosque is near us
The synogogueâ??s there
Part of our community
If you have faith, no faith, from here or there across the sea
Just remember you can always find a friend in me
Because together
Weâ??re strong together
And our world is stronger too!
