# You Canâ??t Stomp on Me (Inauguration Protest)

## **Description**

#### CHORUS:

You canâ??t stomp, you canâ??t stomp, you canâ??t stomp on me We still have rights and we will fight â??til everyone is free OH
You canâ??t stomp, you canâ??t stomp, you canâ??t stomp on me We still have rights and we will fight for human dignity

We have the right to speak and demonstrate itâ??s true And we will not be stoppedâ? | by MAGA thugs like you! We wonâ??t apologize, or take back what we say Weâ??ll speak our minds, we wonâ??t be kindâ? | weâ??re rising up today!

#### [chorus]

So-called United States, has room enough for all Of every shade and hue, all people short and tall Weâ?? Il keep on speaking out, for civil rights &peace And we will not be stomped upon! All fascists weâ?? Il defeat
