

You're a Loser Trump

Description

You're a loser
You're a loser
and it's clear for all the world to see
Of all the crooks, liars, hucksters we've crossed
you are one crook that we wish would get lost
You are a con in a million, my friend
You're nothing more, and you'll lose in the end
You're a loser
and you're never going to win again
You're a loser
and you should be locked up in a pen
The nasty words and the insults you spew
come back to bite 'cause they all describe you
Dumb as a rock! a disgrace! crazy!
The worst disaster in world history
You're a loser
Though you cheat and scam, you cannot win
You're a loser
'cause the people don't believe your spin
You offer nothing but lies, fear and hate
You lack ideas, you just bloviate
We're tired of hearing you whine and complain
We'll change the tune, and we'll sing this refrain:
Kamala!
She's a winner!
and she is what she appears to be
She's a winner!
and she's going to save democracy
We vote for freedom to have our own views
on what we read, whom we love, what we choose
We vote for freedom, we're on the right track
We're moving forward, we're not going back
She's a winner
and she is what she appears to be
She's a winner
and she's going to save democracy
She's a winner
and she is what she appears to be
She's a winner
and she's going to save democracy
