

SCOTUS Youâ??re No Good

Description

Sittinâ?? pretty, in your black gowns
sittinâ?? pretty like serious clowns
With every case you hear you twist
the Constitution up in your fists

Youâ??re no good, youâ??re no good,
youâ??re no good, SCOTUS, youâ??re no good
Weâ??re gonna say it again
Youâ??re no good, youâ??re no good,
youâ??re no good, SCOTUS, youâ??re no good

To voting rights, you took an axe
and sent the nation tumbling back
You stomp all over the female sex
When will you take your feet off our necks?

Youâ??re no good, youâ??re no good, [etc]

Corruption reigns, because of you
Citizens United was a cold-blooded coup
you opened the floodgates for bribery
Corporations broke democracy

Youâ??re no good, youâ??re no good, [etc]

You gave that crook immunity,
so he breaks the law with impunity
Checks and balances are history
Youâ??ve unleashed a monstrosity

Youâ??re no good, youâ??re no good, [etc.]
